Biden Breast Health Initiative

The Biden Breast Health Initiative is a nonprofit organization dedicated to the education of young women through awareness and education to assume responsibility for their overall well-being, with a strong emphasis on breast health.

The Julianne E. Hammond, Esq. BBHI Scholarship Fund provides financial assistance to young women and men pursuing post- high school opportunities in the health or education fields.

If you are unable to attend the 8th Annual Educate for Life but would like to make a donation to the BBHI Scholarship Fund, mail a check payable to the BBHI to
The Biden Breast Health Initiative, PO Box 4616, Wilmington, Delaware 19807.
